DETAILED ACTION

Allowable Subject Matter

1. Claims 1-7 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art cited of record does not individually anticipated or teach in combination the following limitations:
 - Hsien discloses a movable lamp mounted on a clip attachable to a surface. The lamp body is capable of rotating 360 degrees. Hsien does not teach the combination of a carrier having body, an extension portion, and a connecting portion, the carrier being connected to and translatable along the holder, a pressing member connected to the carrier, and a clip part having a shape of a circle mounted on a lower end of the extension portion formed at the connecting portion of the carrier, wherein a lantern having a shape of a cylinder can be attached to and detached form the clip with its on/off switch protruding from one side of the lantern.
 - Henry, although teaching a barrel shaped flashlight that is slidable on a holder base plate shaped to hold the flashlight, the holder includes a clip which extends from the base plate and is positioned below the base plate and cooperates with the base plate to receive and retain the periphery of an article therein, Henry does not teach the combination of a carrier having body, an extension portion, and a connecting portion, the carrier being connected to and translatable along the holder, a pressing member connected to the carrier, and a

clip part having a shape of a circle mounted on a lower end of the extension portion formed at the connecting portion of the carrier, wherein a lantern having a shape of a cylinder can be attached to and detached from the clip with its on/off switch protruding from one side of the lantern.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
